Some businesses have different needs, so they demand and deserve financing with longer/better terms. Maybe you're looking to remodel or expand. Maybe you have an opportunity to buy out a competitor. Our term loan will enable you to get the capital you need for your growth project, and take up to five years to repay. Next-Financing's Term Loan offers low rates and flexible terms, and does not require collateral.

Leverage the success of your practice into a loan with better terms. For those business owners who have weathered the storm for 2+ years, our term loan product was built with you in mind.

**Award Winning Experience. Highly Competitive Pricing. No Prepayment Penalties.**

Next-Financing offers easy to understand, award winning, credit products with customer-friendly features like no prepayment penalties, 1-4 year pay back terms,

Weekly, Bi-weekly and Monthly payments and highly competitive pricing with rates starting at 6.49%. Our products are supported by our outstanding, award-winning customer service.

Our Term Loan was built as both a reward and to be used as a tool for your business to grow. **Move or expand your working space:** Give your business room to grow with a bigger office, new retail location, or more warehouse space. **Refinance Debt:** Convert high-interest debt into one monthly payment at a fixed rate you can afford, with no early repayment penalties. **Buy inventory or equipment:** Invest in new equipment and fulfill every order through bulk inventory purchases. **Hire More Employees:** Take your business to the next level by expanding your team and adding new skill sets.

**If your business checks the boxes for the qualifications listed below, this is without a doubt the loan product your business needs. Congratulations for making it and best of luck with the continued growth of your business!**

**Qualifications:**

24+ Months in business.  
650+ Personal Credit Score.  
\$20,000 Minimum Monthly Revenue.  
1 Year Personal Tax Return.  
1 Year Business Tax Return.
